Did you know?

that the diet of animals at the biblical zoo of Jerusalem is altered over Pesach in accordance with kashrut?

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage believers in the churches to embrace their responsibility to extend their witness of Messiah to Jewish people.

Do you have a Jewish friend you would like to send a tract? Please send us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

Praise Corner! With the addition of an office volunteer, we will need a new computer. God has provided \$250 already! Please pray for an additional \$250 to purchase a computer and monitor.

Dear Praying Friends

When we launched Ahavath 3 years ago the Lord gave us a wonderful godly man who loves us and our ministry and helps us with our computer issues. Clarence has been such a blessing to us by keeping our computers healthy and helping Michele set up the data base so she can take care of the admin work for us. He also built and maintains our web site for us and does all of this as a ministry to us and the Lord. Without him, Ahavath would be stuck in the dark ages and we could never accomplish all we do.

Now the Lord has sent us another volunteer to help Michele with her admin tasks. We had been praying for some time for some way to relieve Michele of some of the load she has been carrying. Just last week we were happy to add Diana to our ministry as a volunteer. Diana and her husband had been long time missionaries with Child Evangelism Fellowship. Diana's husband recently left CEF for a chaplaincy ministry and Diana was left searching for a ministry she could be involved in. They joined our home church here in Fort Worth and one thing led to another and she is now helping Michele with her admin tasks. We are happy to welcome Diana to Ahavath Messiah Ministries!

August has been a very full month of ministry and preaching, each and every church meeting was a special blessing. We saw the altars full with hundreds of decisions. We continue to see excellent response from church members to our tract outreach and every week I come home with another long list of volunteers to help us by addressing envelopes and providing the

postage. This has enabled us to send out yet another mailing of tracts and with this mailing we now have 34,000 tracts circulating throughout the Jewish community here in the Metroplex!

Please remember next year's Israel Tour, May 1-11, 2017. We are anticipating a good number joining us and expect to have yet another wonderful experience in the Holy Land! Come join us! You can find all the information by logging on to <http://www.cvent.com/d/rfqdkj>.

Michele and I remain grateful for your faithful prayer and financial support. Apart from you our ministry could not be possible! Please never forget that it is by your mercy that they shall obtain mercy, Romans 11:30-31.

In Messiah,

Dr. Al

OUTREACH MAILING Update: We've mailed 34,000 with the help of 511 volunteers. Please pray for those who receive the news of Messiah.

"I was so happy to be doing something to help the Jews. I have always had a soft spot in my heart for them. God bless your work." Kathy C (Kathy has been helping by addressing envelopes for our outreach project)
