Did you know?

When Golda Meir became prime minister of Israel in 1969, she was only the third woman elected to lead a country in the modern world?

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

PRAYER CORNER: Pray for these folks who've responded to our Messiah tract: S M; S J; AL; JM; Unknown; JH; DH; MJ; BF.

It is exciting to see how the Lord is blessing our tract outreach in the Jewish community here in the DFW Metroplex. It is exciting to see how so many are eager to help us with addressing the envelopes and how many in our home church are willing to stuff the envelopes. Oddly enough, it is a blessing to see how the Devil is not happy with what we are doing and is attempting to put an end to this project.

Michele began harvesting the addresses of the Jewish people in the Metroplex first by using Superpages, which had been a free service, began to charge per address. She had to find another free site, which she did. At the beginning of August Michele found that this site now decided to charge \$3.00 per address. With 1,000 in each mailing, we would need to pay \$3,000.00 per mailing. This expense became a very serious situation for us so Michele contacted some of our volunteers to see if anyone might know of another free site we could use. A few days later we heard from a man in a church in New Jersey who knew of a site and we are back in business! When Michele first told me of the problem my initial response was that apparently the Devil isn't pleased with what we are doing and doesn't want the Jewish people here to have this vital witness. Michele told me that everyone she had called about this had said the very same thing! However, once again our God has proven He is greater!

We now have sent this tract to 84,000 Jewish people here in the Metroplex. Please know that sending the tract is not the end but just the very first step. With a Jewish community of 200,000 who are spread all across the Metroplex, this is the initial attempt to begin a dialogue with them. This is why we send a response card with every tract. Our purpose is to get the message to them but then have them respond so we may establish a relationship which will move us to one on one witness. Please keep this project in your prayers. Please pray the Jewish people receiving this tract will read it and respond.
