### Did you know?

*In response to serious water shortages, Israeli engineers and agriculturalists developed a revolutionary drip irrigation system to minimize the amount of water used to grow crops?*

### Dear Praying Friends!

Michele and I are now embarking on our twentieth year in Jewish ministry. We continue to be amazed at how the Lord uses us! 2015 was spent travelling another 200 nights on the road, covering some 100,000 miles and preaching in 100 churches across the country seeing more than 3,600 decisions. Our direct outreach in the Jewish community here in the Metroplex continues to grow. We have mailed 19,000 tracts to Jewish people throughout the Dallas/Ft. Worth community giving us some very colorful responses as well as many opportunities to witness to Jewish people. Our monthly Bible study continues to grow and my Annual Israel Tour was a great success! We saw our support base grow a bit with some new churches coming on board which is always a special blessing. 2015 certainly was a very busy and blessed year capped off with the marriage of our daughter Korrie in November to Alex Taylor.

Looking forward, I find my calendar of church meetings is fairly full for 2016 with a few spots yet to be filled. We continue to see wonderful responses from church members who volunteer to address envelopes and provide the necessary postage for the tracts to be mailed. My Annual Israel Tour is set for May 9-19 and we have a good group signed up already. We have 3 more

pastors who are expecting to join us along with several from their churches which should make this a very exciting tour. This year marks 20 years I have been making these trips to Israel and I am looking forward to a wonderful time marking this milestone event! There is still room for you to join us and I would encourage you to register as soon as possible. You can go to <http://events.SignUp4.com/HOLY59E> for more information. You will also find a secure registration page for your convenience.

Michele and I remain grateful for your faithful prayer and financial support. Apart from you our ministry could not be possible. Please always remember that it is by your mercy that they shall obtain mercy Romans 11:30-31. In Messiah,

**Dr. Al**

*19,000! With the last batch of envelopes sent out Christmas week, the total is now 19,000! We are so amazed and thankful for all who have helped this become a reality. Please pray for those who will receive the tracts to respond.*

PRAYER Request: We will be upgrading our operating system soon. Please pray that this will go smoothly and that nothing will be lost in the transition. We're thanking God for our IT volunteer who helps us keep up with technology!

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage believers in the churches to embrace their responsibility to extend their witness of Messiah to Jewish people.

Do you have a Jewish friend you would like to send a tract? Please send us their address and we'll mail them the Messiah tract and response card.
