Did you know?

Israelis consume the third most amount of fruit and vegetables in the world?

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

Dear Praying Friends,

December was certainly eventful! Following my colonoscopy in November I had a case of tonsillitis the very next day. I had 2 cataract surgeries in December. My right eye went first and then 2 weeks later my left eye. While it was everyone's expectation that I would notice an immediate improvement, it certainly has not been my experience. I have had good days and some not so good days. I have had regular follow up visits and my ophthalmologist and my optometrist have assured me this is a healing process and that I am coming along just fine. I had the multi-focus lens installed in each eye which will eliminate the need for reading glasses. These seem to be working as promised but there is still a period of adjustment. Driving at night is a bit difficult as the approaching vehicles all seem to be using their bright lights. I also have a bit of a halo effect, even when using my laptop and cell phone. I am assured that as my brain adjusts to these lenses this will go away. Reading is also a bit of a challenge right now. Please keep me in prayer during this healing process.

We are looking forward to the birth of our very first grandbaby in a very few days. Our daughter tells us she is having a girl and they have decided to name her Bridget Ann Taylor. Her due date is January 11 and Korrie told us her doctor will only allow her to go a week longer and then will induce. Needless to say, we are very excited and Michele and I plan to spoil this little girl rotten! Please pray for a safe delivery with no complications either for Korrie or Bridget and that Bridget will be a very healthy baby!

Now that the Covid vaccine is becoming available, I am hopeful that Israel will open back up to tourism and our tour will finally be able to happen. We have re-scheduled it 2 times and our current dates are April 26-May 6, 2021. Please pray that we not have to adjust these dates again. I have 36 people who are very anxious to make this trip!

Michele and I remain grateful for your faithful prayer and financial support. Our ministry could not be possible apart from you! Please always remember, "It is by your mercy that they shall obtain mercy." Romans 11:30-31.

In Messiah, Dr. Al Reichman

We finished 2020 with a record number of volunteers and we've sent out 136,000 Messiah tracts so far. Thank you to our faithful volunteers who have helped us!
