Did you know?

Israel has the highest number of museums per capita in the world.

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

Dear Praying Friends,

As we come to the end of another year, I always reflect on the past 12 months before looking to the expectations for the upcoming 12 months. My pastor recently reminded us that the word January comes from the Roman god Janus, who had 2 faces, one looking backward and the other looking forward. It would seem appropriate to take a look back at this time of the year.

Michele and I have now been in Jewish ministry for a full 28 years. 2024 proved once again to see the hand of the Lord on us. Despite the economic difficulties our country has been enduring, my preaching calendar remained full, love offerings were up, which helped sustain our ministry and altar results for the year were very strong. We saw just under 4,000 people at the altars in response to our ministry, committing themselves to providing a witness to Jewish people and many coming to faith in Jesus! These are the decisions I can see and even more exciting are those I know nothing about. I will only find out about the next time I return to the church. I remember one such incident where I preached in a church I had preached in the previous year. Before the morning service began a young lady greeted me telling me how happy she was I had come back and that the previous year she was not walking with the Lord or not really listening to what I had to say. She told me that she now had gotten her life right with the Lord and was anxious to hear me preach this time. She also said her boyfriend had gotten saved that last time I was there, surrendered to preach and was now in Bible College preparing to serve the Lord. These are the decisions that happen without my knowledge and are a special blessing when I return and find how the Lord had used me.

We reached another milestone in 2024 where our tract outreach is concerned. We have sent 192,000 families our What Will Messiah Look Like tract. We could never accomplish this without those in the churches who volunteer to address the envelopes and provide the postage. Something that touches my heart is hearing how many tell us that they keep praying every week pray for these Jewish families by name that were on their list. That always causes me to pause and thank the Lord believing that this just cannot be a bad thing, having believers all across the country praying for specific Jewish families here in Texas every week. That is a wonderful blessing which I had not counted on!

Unfortunately, this war in Israel would not allow us to make our annual Israel tour. I now find it best to push those 2025 dates to 2026. Prayerfully this war will be over by then and we can enjoy a wonderful time in Israel! The new dates are April 27-May 7, 2026. We will have the tour info updated on the website soon and you will be able to go there and reserve your seat.

Michele and I remain grateful for your faithful prayer and financial support. Apart from you our ministry could not be possible. Please always remember that it is by your mercy they shall obtain mercy. Romans 11:30-31.
