Did you know?

the Cell phone was developed in Israel by Motorola, which has its largest development center in Israel.

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage believers in the churches to embrace their responsibility to extend their witness of Messiah to Jewish people.

Do you have a Jewish friend you would like to send a tract? Please send us their address and we'll mail them the Messiah tract and response card.

Dear Praying Friends:

The New Year typically starts out a bit slow, preaching locally the first Sunday of January. I then flew to California to preach in LA area, Bakersfield and the East Bay area before returning home. I also preached in Amarillo and Lubbock and as I write this I am preparing to leave for Seattle. Some of these meetings were in churches which I had not been to quite some time while others were new churches for me. In every meeting we saw the Lord bless with many at the altars, hearts opening to the Lord regarding the need of taking the gospel to Jewish people and still more volunteering to help us address envelopes for our outreach here in the Metroplex. It proved to be a very encouraging beginning to a New Year of service!

We have now sent out our 5th mailing of tracts. That makes 5,000 Jewish people who have received our tract. I had to re-order another 5,000 tracts and response cards! We are excited for reaching this milestone in this outreach effort. I am receiving some very interesting responses and some are to the place that they are willing to meet with me personally. Please continue to keep this outreach in your prayers remembering to be patient. Ministry to Jewish people is typically long and slow as Jewish people have many hurdles to overcome in considering our message.

My annual Israel Tour is going to be a very exciting event this year! We have a very good group committed to the tour this year, making it one of the largest groups I have taken. We still have room for more so if you are interested in joining us, please do not hesitate to go to our tour webpage and register. However, our Deposit Deadline is just a couple of weeks away so time is of the essence! Please go to <http://events.SignUp4.com/reichmanisrael2015> to see tour details and to find the secure registration page. Please do not hesitate to contact me with any questions you may have.

Michele and I remain grateful for your faithful prayer and financial support. Apart from you our ministry could not be possible. Please always remember that it is by your mercy that they shall obtain mercy. Romans 11:30-31.

In Messiah,
