Did you know?

Two Israelis at Tel Aviv University invented an "Anti-Date Rape Straw" which detects the two most common date rape drugs placed in drinks and alerts intended victims?

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Dear Praying Friends,

Michele had her elbow surgery a week ago. The doctor cleaned out a lot of scar tissue which was causing her problems with swelling and range of motion. She looked pretty pitiful when I brought her home but once the effects of the anesthesia wore off she perked up. Her arm was wrapped up and she had to keep her arm in a sling for 5 days but after that she was able to unwrap it and toss the sling. She went back for her follow up and the doctor is very pleased with her progress. He said the break is healing just fine and he expects her to have a full recovery with no residual effects. She will need physical therapy 3 times a week for 3 months and then she should be back to normal. Thanks for praying and for keeping her in your prayers as she continues her recovery.

We always have a lot packed into this time of the year. Michele and I celebrated our 42nd Anniversary on June 29th, I celebrated my birthday on July 7th and Michele celebrated her birthday on August 2nd. We managed to squeeze some time for these despite my being gone most of July. I preached in Kansas, Missouri, Washington State, Idaho. I was home long enough to take care of Michele with her elbow surgery and then flew out to preach some more. It certainly has been busy but The Lord did some amazing things in each of these churches.

Our tract outreach continues to move forward. We are now sending my tract to Jewish families in Houston. To date we have now mailed this tract to 143,000 Jewish families in Houston and the Metroplex. When I saw just how much larger the Jewish community truly is here in the Metroplex than I originally thought, then I am struck with the fact that this tract may well be the only gospel witness my people are receiving. I can't tell you how important it is that you keep this effort a matter of prayer daily!

Michele and I remain grateful for your faithful prayer and financial support! Apart from you our ministry could not be possible. Please always remember, it is by your mercy they shall obtain mercy. Romans 11:30-31.

In Messiah, Dr. Al Reichman
