DID YOU KNOW?

Israel is the only country to revive an **unspoken language** and establish it as its national tongue?

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

The month of June has been a very exciting month! After preaching in Florida, the Metroplex and Arizona, on June 21st I boarded a plane heading for Tokyo, Japan. This trip to Japan has been a very special blessing! I have preached in 3 churches but the most exciting thing is that I was privileged to be the speaker for the Graduation Seminar at the Japan Baptist Bible College. It was an honor to bring 9 lectures and to be one of the Commencement speakers for their Graduation. The main topics for the lectures were: 1. The Concept of Ritual in Judaism; 2. The Concept of Sacred in Judaism; 3. The Concept of Worship in Judaism. Each session was 90 minutes, with 20-30 minutes for Q & A at the end of each session. Despite having to use interpreters I could tell by the level of questions that the students were grasping the material and learning a res to each new class of students. I am also praying that doors would open in Bible Colleges in America for me to present these lectures as well.

This is my second time to come to Japan to preach. If there was a down side to this trip, it is only that Michele was not able to join me this time. Our 39th wedding anniversary was June 29th, the same day as the Graduation. As has been the norm throughout the past 22 years, we spent another anniversary apart. However, I return home on July 3rd and July 5th we are taking a trip together, so this should make it up to her! The Lord has most certainly blessed me with a wonderful wife! Michele has been by my side through good times and bad and has never waived. She has been my partner in life and my partner in ministry for 39 years. I cannot imagine what my life or ministry would have been had she not said "I Do" 39 years ago. I am just so happy I did not have to find out!

Our 2019 Israel From a Jewish Perspective Tour is all set and ready for you to sign up and reserve your seats. Please go to www.ahavathmessiah.com to find all the information on the tour. You will find a secure Registration Page there as well. Please contact me with any questions you may have. Please note that the Tour Cost does not include Airfare. We are allowing each one to arrange their own flight arrangements. This will be much more flexible and far less costly for everyone. For example, if you live on the West Coast, rather than flying to New York City, you can fly out of LAX on El Al Airlines non-stop to Tel Aviv. This will save you a great deal of time and money. So please take advantage of this and make your deposits as soon as possible!

Michele and I remain grateful for your faithful prayer and financial support. Apart from you our ministry could not be possible. Please always remember that it is by your mercy that they shall obtain mercy. Romans 11:30-31.

In Messiah, Dr. Al

Please pray for A.L., who responded favorably to the tract she received. Michele has left her a message to set up a phone appointment. Please pray that she will call Michele back so we can begin a Bible study to teach her the Truth of Messiah!
