Did you know?

Israeli paper currency has Braille on it?

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

Please PRAY! MK responded to the tract they received and wants more information. We have left a message and sent an email and are waiting for a reply. THANK YOU volunteers for your faithfulness to pray, address and stuff envelopes!

A few months ago, a pastor in the north west was very interested in having me come to preach as soon as I was in the area. This was a last minute meeting but a Divine appointment. The pastor told Michele that he has an unsaved Jewish person who has been attending his church services. He had many questions that the pastor knew would be answered after hearing me preach. After the service, I talked with this Jewish person quite extensively. Please pray that God will work in the heart of this dear soul so they can know their Messiah Jesus!

Our volunteer who built and maintains our website has been working very hard to add a page for our annual Israel Tours. I am pleased to tell you that he has now completed this task and has done a wonderful job! All of the information you will need for our 2019 tour is now live on our website including a secure registration page. The dates are May 13-23, 2019 and I would love to have you join us on this life changing trip through the land of the Bible! When you visit our web site you will also find that he has revamped it entirely and I believe you will agree with me that he has done a beautiful job!

We have now mailed out 76,000 What Will Messiah Look Like tracts to Jewish people here in the Metroplex. When we started this project the research I had done told me there were 60,000 Jewish people in the Metroplex, yet we have mailed 76,000 tracts and are only to the letter M in the alphabet. This projects to a Jewish community some 200,000 strong. However, they are scattered throughout the Metroplex as there isn't a defined Jewish community. This is why we are mailing these tracts in an effort to get the Jewish people to come to me. Please continue to keep this outreach in your prayers!

Michele and I remain grateful for your faithful prayer and financial support. We are ever mindful that apart from you our ministry could not be possible. Please always remember that it is by your mercy that they shall obtain mercy. Romans 11:30-31.

In Messiah,

Dr. Al
