Did you Know?

the Sea of Galilee - located .212 km below sea level - is the **lowest freshwater lake in the world** (and the largest in Israel)?.

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

Dear Praying Friends,

Our outreach project is not only progressing here in the Metroplex but I am excited to announce the launch of a new aspect of our ministry. Beginning April 1, we will be uploading a Vlog to our Facebook page and YouTube. We will also provide a link on our ministry website. Every Monday we will be uploading a new Vlog. On Thursday April 18 for Passover, we will upload a special video, which will begin on Friday April 19. We have filmed 9 of these so far. In keeping with our ministry Mission Statement, we want these to be both another layer of witness to Jewish people, as well as instructional and informational to believers in the churches enabling them to be better equipped to witness to Jewish people. Each Vlog is 5-7 minutes in length, covering topics such as a brief promo for our annual Israel From A Jewish Perspective Tour, The Torah Part 1, The Torah Part 2, The Tallis, The ZtisZtis and Kippa, The T'Fillin (Phylacteries), Passover and The Mezuzah. We will be filming another 9-10 Vlogs on May 7 which include a look at the Feasts, Torah Observance, The Messianic Movement, Messianic Congregations and the like. Please pray for the effectiveness of these as we are looking for these to increase the exposure for our ministry to both the Jewish and Church communities.

We have now mailed the "What Will Messiah Look Like" tract to 96,000 Jewish homes here in the DFW Metroplex and we are only to the letter P in the alphabet. This is very exciting when you realize that all my research prior to beginning the outreach told me there were but 60,000 Jewish people in the Metroplex. Please continue to keep this outreach in your prayers. The printing company we have been using since we began this outreach just informed me they were closing the business. I have already made inquiries with another printer, which is a ministry of one of our supporting churches. Please pray they will be able to match or beat the pricing we have enjoyed with our printer since launching Ahavath.

March took me to Michigan, Ohio, and Texas. Along the way we saw souls come to faith and get saved as well as full altars in most every service. Our annual Israel From A Jewish Perspective Tour is set for April 27-May 7, 2020. Please go to our website at Ahavath@aol.com for more information and to register and pay your deposit. I can promise this is one trip you do not want to miss!

Michele and I remain grateful for your faithful prayer and financial support. Apart from you our ministry would not be possible! Please always remember that it is by your mercy that they shall obtain mercy. Romans 11: 30-31
