### *Did you know?*

The world's largest pepper was grown in Israel's Moshav Ein Yahav, recorded by The Guinness Book of World Records in 2013.

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

*Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to [info@ahavathmessiah.com](mailto:info@ahavathmessiah.com).*

Rev. Tyler Gillit

Dear Praying Friends,

From time to time, I have the privilege of being involved in something very special. In March, I was invited to speak for two churches on the Navajo Reservation. The first being in Arizona and then the second being in Crownpoint, NM. Both of these churches were a wonderful blessing! To see these churches filled to capacity with Native Americans hungry to hear the Scriptures and so interested in hearing the need of taking the Gospel to Jewish people just blessed my soul! This was the beginning of March, then I finished the month in Wyoming. I am fighting the urge to say I played Cowboys and Indians in March...guess I didn't fight the urge enough.

We are still keeping our eye on the war in Israel. I read a report yesterday which said that the sanctions the President has put on Iran are taking effect and Iran is nearly bankrupt. When you understand that neither Hamas nor Hezbollah have any ability to earn and are fully funded by Iran, then seeing Iran facing bankruptcy brings hope that this war will soon be over. We saw this in Trump's first term, when the funding dried up, Hamas could no longer wage their terrorism on Israel and we had 4 years of peace. I am looking forward to seeing this become a reality once again!

Please keep our tract outreach in your prayers. Occasionally we find ourselves in need of searching for a new site to source the addresses. This has happened several times over the years. We find a site which doesn't charge and after several years they decide to make us pay per address. In the past this has been as much as \$3.00 per address. We send 1,000 in each mailing so this cost becomes prohibitive. We search for another free site and after a number of years they too begin to charge. This is nothing new but it can be difficult finding another free site. Please pray we can locate another free site and are able then to keep this outreach moving forward. So far we have been able to send 197,000 tracts to Jewish homes with the help of our wonderful volunteers.

Michele and I remain grateful for your prayer and financial support. Apart from you, our ministry could not be possible. Please always remember, it is by your mercy they shall obtain mercy. Romans 11:30-31.
