*Prayer Letter - May 2016*

Dear Praying Friends,

I just returned from another wonderful Israel tour. We had a small group this year but a very good group and all came home realizing the impact of being in the land of the Bible. We visited two new sites this time. One being Magdala, the home of Mary Magdalene, which had only recently been excavated, and the Friends of Zion Museum, which pays respect to the many Gentiles instrumental in bringing about the modern State of Israel. Both sites will be on the itinerary next year along with another possible site. I would love to have you join us. The dates are May 1-11, 2017 and you can find more information by clicking [here](#).

Immediately following my return from Israel I was off to Michigan and the Texas Panhandle to preach.

We are continuing our outreach here in the Metroplex. We have sent out another 1,000 tracts to Jewish people bringing us to a total of 27,000. I had been given figures telling me that the Jewish population in the Metroplex numbered 100,000. However, when we factor 4 to a household and we are only through the letter H in the alphabet, this projects to more than 100,000 Jewish people just through the letter H. We have also recently found an additional listing of Sephardic names (Jewish people of Spanish and Portuguese speaking descent from countries such as Spain, Portugal, Mexico, Central and South America) which were not included in the initial listings we have been working from. This projects to a Jewish community much larger than we had otherwise been led to believe. This is very exciting news and at the same time brings greater opportunities for witnessing to this ever growing community.

Michele and I remain grateful for your faithful prayer and financial support. Apart from you our ministry could not be possible. Please always remember that it is by your mercy that they shall obtain mercy, Romans 11:31-32.

In Messiah,

Dr. Al

The purpose of Ahavath Messiah Ministries is to take the Love of Messiah to Jewish people so that they may come to faith in the Messiah of Israel. Equally as important is the need for us to encourage the believers in the churches to embrace their responsibility to extend their witness of Messiah to Jewish people.
