Did you know?

There are around 273 kibbutzim in Israel and those living and working on the kibbutz are known as kibbutzniks?

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

Our annual *Israel From a Jewish Perspective Tour* was another wonderful experience! A good group came with a heart longing to be touched by the Lord in this very special place and they were not disappointed! One highlight was The Herodian, one of Herod's Summer palaces and the site of his burial tomb. I had long wanted to visit here and it was well worth the wait! My 2018 tour is already set and we already have people reserving their seats. You can find more information by logging on to <http://www.cvent.com/d/n5q9vg> You can also find a link to this webpage from our ministry website.

Michele was very busy here while I was in Israel. She was able to send out several mailings of our tract giving us now a total of 55,000 mailed to Jewish people here in the Metroplex to date and we are only to the letter "L" in the alphabet! This outreach project continues to amaze us by the many folks in the churches are eager to help. You are a constant blessing to us! This past month we have been receiving some positive responses. Michele is about to begin a Bible study with a lady who has called us a number of times in response to the tract. We have had a man from out of state respond and we will begin reaching out to him by phone and email.

My church meetings continue to keep me hopping, preaching in Florida, Illinois and Baltimore. I preached a new sermon in the church in Florida from Ezekiel 37 "Will These Bones Live?" It was obviously a message dealing with prophecy and one came and trusted Jesus as her Savior.

Michele and I remain grateful for your faithful prayer and financial support. Apart from you our ministry could not be possible. Please never forget that it is by your mercy that they should obtain mercy, Romans 11:30-31.
