Did you know?

in the 1500's under Spanish rule Jewish people, other than being physicians, were forbidden from being professional people? Therefore they could only be tradesmen. This is when many Jewish people became diamond cutters and today two thirds of the world's diamonds are cut in Israel.

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to info@ahavathmessiah.com.

We have reached another milestone in our tract outreach here in the Metroplex. As of this week we have now mailed our What Will Messiah Look Like Tract to 80,000 Jewish people! When I began this outreach, the research revealed there were but 60,000 Jewish people in the Metroplex. That number was a bit conservative as we have now mailed this to 80,000 and we are only to the letter M in the alphabet. Please continue to keep this project in your prayers, so the Jewish people who receive this tract will read it and respond to us. This opens the conversation and allows us the opportunity to begin a witness.

Our 2019 Israel From A Jewish Perspective Tour continues to draw strong interest. People are already beginning to register which is very encouraging! The dates are May13-23, 2019 and the cost, not including airfare is \$2,650.00 per person. We have decided to allow people to make their own flight arrangements which allows you to use your frequent fliers, schedule stops to visit other places, and save you a considerable amount on the overall fare. Please go to our website at www.ahavathmessiah.com to find all the details. You can also use our secure Registration Page to sign up and pay your Deposit using PayPal. I can assure you that this will be the trip of a lifetime!

Amsterdam is an historic hub for Judaism. Under the Spanish rule of the 1500's Jewish people were oppressed and Amsterdam became a safe haven. During the time of persecution in Europe many Jewish people fled to The Netherlands for refuge dating back to the 1600's. Amsterdam is home to several historic synagogues and is rich in Jewish history.

Michele and I remain grateful for your continued faithful prayer and financial support. We are ever mindful that our ministry could not be possible without you. Please never forget that it is by your mercy that they shall obtain mercy. Romans 11:30-31.

Dr. Al
