May has been a very active month. In one church I preached my testimony message which has a very strong evangelistic appeal. It tells how I had been pushed into a sham profession of faith and then years later wrestled with the Lord for an entire year before finally yielding and coming to faith. This often encourages those who are wrestling with this very issue to make the decision to trust Jesus as Savior, which is what happened on this particular Sunday morning. After the service I was talking with the Pastor when a lady, who had been a member for many years, came and placed a hand on each of our shoulders and with tears in her eyes told us she had just accepted Jesus as her Savior! Not sure it gets any better than this!

We reached a landmark in our tract outreach this month. Mid month we mailed another 1,000 tracts reaching 100,000 Jewish homes here in the Metroplex! Paul asks, "How can they believe on Him in whom they have not heard?" Here in the Metroplex there are now 100,000 Jewish families who have heard this vital message through this tract. I believe that when we get to Heaven we will be amazed at how many responded and became believers because of receiving this tract.

May has also been a very challenging month for us. We have a critical need. Our HVAC systems went out on us. We have a two-story house and while one unit was covered to a limited degree by our homeowners insurance, the other is completely at our expense. Our house is all electric so our furnaces are part of the air handlers in the attic and everything had to be replaced. Since our offices are in our home this affects both our ministry and home lives. With the temperatures already in the 90s this is an urgent need. In addition to replacing the units themselves, it was discovered that the interior drain for the condensing units in the attic was blocked and needed to be replaced. We are having this dealt with this week and will not know the cost on this until later in the week. I can tell you that at present the expense for this is now at \$20,400. It would be a great help to us if you would be willing to help with a special offering to assist us in defraying this expense. If so, this should be sent to us at P O Box 330337, Ft. Worth, TX 76163. You can reach me at 817-235-0042 or drwanderingjew@aol.com and I will be happy to give you more details. Michele and I appreciate whatever you could do for us in this need and we know we can count on your prayers!
