Did you know?

Israel has the highest ratio of university degrees to the population in the world?

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage believers in the churches to embrace their responsibility to extend their witness of Messiah to Jewish people.

Do you have a Jewish friend you would like to send a tract? Please send us their address and we'll mail them the Messiah tract and response card.

Dear Praying Friends:

Since Spring of 2014 we have been doing direct outreach to the Jewish community here in the Dallas Fort Worth Metroplex. The DFW Jewish community numbers in excess of 100,000. To date we have mailed 15,000 "What Will Messiah Look Like" tracts. This milestone would never have been reached apart from the help of so many who made it possible. We started with a generous gift from a supporting church in Oklahoma enabling us to get the tracts printed. I remember the pastor asked if it was actually going to happen. I told him I had the tract almost written and I then would send it to the graphic artist and then to be printed. He was willing to grant us a special gift enabling us to move forward.

We then were faced with the cost of mailing the tracts. Each mailing of 1,000 tracts costs \$500.00 in postage. I began to ask churches to pray the Lord would provide for this with no expectation as to how He might do this. Before the first mailing, a lady came to me following a church service in North Carolina with a slip of paper in her hand with her name, email address and phone number and told me she would take care of addressing 100 envelopes and put a stamp on each envelope and send them back to us so we could stuff the envelope and send them out. This sweet lady opened the floodgates and to date we have seen 356 people volunteer to do the same. The tract has been reprinted 3 times with 5,000 in each printing, thanks to the generous gifts for this purpose from churches in West Texas and in New Mexico.

Our outreach project has struck a chord among the churches in which I preach. I find an overwhelming desire to reach out to these Jewish people with the gospel of who Messiah truly is. Please continue to keep this outreach in prayer as we continue to move forward within

this vast Jewish community.

There are just a few days until our daughter's wedding day. We prayed for many years that the Lord would provide her a godly young man who loved the Lord more than she did, who would love her and who would lead her spiritually in the path of the Lord. We believe the Lord answered our prayers in this young man.

Don't forget our Annual tour of Israel. The dates are May 9-19, 2016. I would love to have you join us as this will mark 20 years I have going to Israel like this. You can find more information by logging on to <http://events.SignUp4.com/HOLY59E>

Michele and I remain grateful for your faithful prayer and financial support. Apart from you our ministry could not be possible. Please always remember that it is by your mercy that they will obtain mercy, Romans 11:30-31.

In Messiah,

Dr. Al

We have had a few phone calls in response to the tract. Most assuredly, they have read it! Please pray that God will work on their hearts!

Al & Michele~ I greatly admire you both and thank God for you. Praying that many will be brought to Jesus because you surrendered to His calling. May God richly bless you both." B J
