### Did you Know?

Israel has more museums per capita than any other country, including the world's only one underwater?

Ahavath Messiah translated from Hebrew means Love Messiah. Our purpose is to take the love of Messiah to Jewish people so they may come to faith in the Messiah of Israel. Equally important is the need to encourage other believers in the churches to embrace their witness of Messiah to Jewish People.

*Do you have a Jewish friend you would like to send a tract? Please email us their address and we'll mail them the Messiah tract and response card to [info@ahavathmessiah.com](mailto:info@ahavathmessiah.com).*

Praise Corner: 145,000 tracts  
have been mailed out so far!

Michele continues to make good progress in her recovery from her broken elbow. She is going for physical therapy once a week and they are very impressed. They have her in strength training now and if she keeps improving, she just may be able to throw me out of the house before long.

I traveled to Montana for a Prophecy Conference. It is always amazing to see how The Lord revives people's hearts when confronted with the reality of the imminent return of our Lord. I always assert that the only value in understanding prophecy is that it provokes us to Godly living and a bolder witness. When this happens, you see revival break out within the church. Judging from the size of the crowds each night and the response of the people I believe we saw the beginnings of revival taking root!

September was also the High Holy Days, which the last three of the seven annual feasts, Trumpets, Atonement and Tabernacles, are observed over a 22-day period. This gave me the opportunity to focus on Yom Kippur (The Day of Atonement) in many of the church services during September. So many came to me expressing how they had never understood how the sacrifices of the Old Testament are fulfilled by Jesus when He went to the cross. They marveled over how clearly the Testaments are linked together and saw Jesus in the Old Testament more vividly than ever before. With this understanding they feel better equipped to witness to Jewish people.

We are still praying that our Israel tour, now scheduled for next April, will be able to go as planned. Israel is beginning to re-open to tourism with the proviso that tourism doesn't cause a spike in covid cases. Please pray we can make this trip. I have 46 people both patiently and anxiously waiting for this trip to happen.

Michele and I remain grateful for your faithful prayer and financial support. We know that apart from you our ministry could not be possible! Please always remember that it is by your mercy, they shall obtain mercy, Romans 11:30-31.

In Messiah, *Dr. Al Reichman*

Please pray for one of the flooring people who spent a lot of time at our home during our flood restoration process. His family is unchurched and he had many questions about God and has expressed an interest in bringing his family to church.
